The Acton Volunteer Coordinating Committee met May 13, 2013 and interviewed Bruce Forman for the Acton 2020 Committee.

Bruce is currently the Chief Information Security Officer at UMASS Memorial in Worcester. His skills include project planning, project management and evaluating risk. He has attended two meetings of the Acton 2020 Committee and wants to be engaged in the community by contributing to the development of neighborhoods and town centers.

The VCC recommends his name be forwarded for further consideration.
